

## Essentiel Antwerp – Shop Manager

### Job Description

For our new store in Brussels (Sablon), we are looking for a full-time Shop Manager.

As a Shop Manager, you act as an ambassador for Essentiel Antwerp and proudly represent the brand in Belgium.

You will be part of our community and play an active role in the brand's development by:

- Taking full ownership of the store and turning it into your own inspiring space
- Creating a dynamic, welcoming and vibrant retail environment
- Acting as a link between the store and headquarters to enhance the overall store experience
- Delivering an exceptional and personalized customer experience
- Guiding customers in discovering the brand and building long-term relationships
- Driving sales, conversion and customer service targets
- Managing the full customer journey: anticipating needs, exceeding expectations and showcasing strong expertise in product knowledge, styling and aftercare
- Overseeing daily store operations (stock management, logistics, visual merchandising and stockroom organization)

### Who you are

- Hands-on mindset and comfortable in a fast-paced environment
- Strong sense of autonomy and commercial drive
- Open communication, respect and integrity
- Passion for fashion and awareness of current trends
- Previous experience in a similar role within fashion or luxury is a plus

### What we offer

- A competitive salary package
- Access to our training program to support your professional growth
- The opportunity to be part of the Essentiel Antwerp family, including team dinners, international meetings, events and a dynamic, inclusive company culture

**Interested in joining our Brussels team? Apply now and we will get in touch with you soon.**
