

Essentiel Antwerp – Inventory Analyst & Coordinator

Introduction

Essentiel Antwerp is a global contemporary brand from Antwerp, synonymous with positive energy.

Dedicated to fierce, fabulous and fun-loving individuals, the label brings mood-boosting fashion that lifts the spirits.

We are representative in more than 40 countries, with approximately 40 retail stores. Each store embodies our distinctive brand identity and is strategically located in prime locations. With a presence in over 750 doors and selected department stores, we have built a qualitative global wholesale distribution.

Essentiel Antwerp stands for more than fashion, it stands for a state of being. Authenticity is at the heart of the company. With a continuous desire for growth, the brand is always on the lookout for the next move.

As our Inventory Analyst & Coordinator, your main responsibility is to analyze and coordinate the inventory of the countries in your scope and make sure that they have adequate quantitative and qualitative stocks to achieve their objectives.

Your role and responsibilities

- Manage all stock-related operational tasks, including initial picks, invoicing, and daily follow-up of stock movements for all the stores in your scope.
- Act as commercial liaison for EDI accounts, ensuring smooth communication and performance monitoring.
- Oversee EDI coordination, including managing PDT tasks.
- Prepare for future integrations where needed.
- Provide support during buying periods, ensuring accurate size adjustments and alignment of country-specific needs.
- Take ownership of omnichannel stock follow-up, coordinating with multiple departments to optimize product availability across channels.
- Create and maintain BI reports at key milestones (season start, season end, outlet start, end-of-life).
- Estimate general company stock levels in relation to sales periods to support planning and decision-making.
- Analyze collection performance per market to identify opportunities and guide future actions.
