

Essentiel Antwerp – Supply Chain Commercial Support

Introduction

Essentiel Antwerp is a global contemporary brand from Antwerp, synonymous with positive energy.

Dedicated to fierce, fabulous and fun-loving individuals, the label brings mood-boosting fashion that lifts the spirits.

We are representative in more than 40 countries, with approximately 40 retail stores. Each store embodies our distinctive brand identity and is strategically located in prime locations. With a presence in over 750 doors and selected department stores, we have built a qualitative global wholesale distribution.

Essentiel Antwerp stands for more than fashion, it stands for a state of being. Authenticity is at the heart of the company. With a continuous desire for growth, the brand is always on the lookout for the next move.

For our Antwerp HQ office, we have a fulltime vacancy for an enthusiastic trilingual (French/English/Dutch) Supply Chain Systems & Operations Support with a strong affinity for fashion and operations.

Your Role

In this role, you act as a **key operational and system-driven support function** between Supply Chain, Production, IT, Customer Service, and Commercial teams. You ensure data accuracy, process continuity, and smooth coordination in a fast-paced, international fashion environment.

This role requires **strong shoulders**, operational maturity, and the ability to handle pressure, deadlines, and complexity.

Your Responsibilities

- Act as operational support within the **Supply Chain & Production team**.
- Work daily in **ERP systems** and quickly adapt to new IT tools and environments.
- Manage and validate data across multiple platforms (ERP, **PIM**, **Nylon**, Excel, and other internal systems).
- Ensure consistency between product data, logistics flows, and commercial information.
- Provide **commercial support** by understanding customer service processes and the **US market**.
- Act as a point of contact for internal stakeholders and external partners.
- Proactively follow up on issues related to data, orders, deliveries, or system flows.
- Support peak periods, deadlines, and ad-hoc operational challenges.

Who are you

- Minimum **5 years of relevant working experience** in Supply Chain, Logistics, Commercial Operations, or a similar environment.
- Strong background in **ERP systems** and operational IT tools.
- Experience with **PIM systems, data flows, multiple files & platforms**.
- Fast learner when it comes to systems and processes.
- Strong understanding of **commercial operations and customer service**.
- Experience or affinity with the **US market** is a strong asset.
- Genuine interest in **fashion from A to Z** (product, lifecycle, flow, delivery).
- Able to handle **pressure, deadlines, and complexity**.
- Fluent in **French and English** (Dutch is a strong plus).

What We Offer

- A key operational role within a fast-moving international fashion brand.
- A position with impact, responsibility, and visibility.
- A dynamic HQ environment in Antwerp.
- The opportunity to work across **Supply Chain, IT, and Commercial operations**.
- The chance to contribute to a Belgian fashion brand with international reach.
